MAGISTRATE JUDGES**

Pursuant to Local Rule 123, the court finds that the above-captioned action is related under this court's Local Rule 123 to the following matter: *Lea Deneus-Coley v. Fresno Community Hospital and Medical Center*, Case No. 1:25-cv-00306-JLT-HBK. The actions involve overlapping parties, properties, claims, events and/or questions of fact or law. Accordingly, assignment of the actions to the same district judge and magistrate judge will promote convenience, efficiency, and economy for the court and parties. An order relating cases under this court's Local Rule 123 merely assigns them to the same district judge and magistrate judge, and no consolidation of cases is affected.
